Sophisticated. Refined. Polished. A new standard of living is in town. Pronounced as individual letters R-A-F (the oblique or backslash is silent), RAF / is KIAN's latest line of premium designer furniture for residences and offices. The luxury label caters to the urbane cosmopolitan with distinctive tastes, to whom nothing but the best will do. RAF / is made for connoisseurs of the finer things in life. Have a look at Album, the debut collection by A Balcony under the RAF / label.

Album Collection -

The Album Collection adds a touch of class to home and office spaces. Even in open-plan places, private space and boundaries are quietly but distinctly implied by sleek side frames instead of ugly barriers and partitions. Powder-coated mild steel frames highlight the elegance of this modern furniture set. The collection includes a Sofa, Arm Chair, Coffee and Side Tables, TV Console, Bench and Console, Desk, Shelf, Table, Chair, and Console.
